EXPERIENCE

2012 - Present • Director of Emergency Services • Bryan County, GA

2011-2012 • Safety Specialist • Shaw Group • Kings Bay Naval Submarine Base-GA

2008 - 2011 • Fire Chief • VT Group • Kings Bay Naval Submarine Base-GA

My experience spans decades across several government agencies. Starting as a firefighter, I followed my passion to motivate and mentor many in the fire service. Shortly into my tenure of my current position, I was honored as Fire Chief of the Year for the State of Georgia. It took determination, dedication, and commitment at the highest level. In whatever spare time I have had, I've also operated successful small businesses.

COMMUNICATION

During my tenure in public safety service I developed and implemented policies and procedures; successfully managed millions of dollars in government budgets and built lifelong relationships with employees, government leaders, vendors and business owners.

LEADERSHIP

As a leader I take pride in being innovative and on the frontier of technology; ranging from organizational communication to modern tools and apparatus resulting in effective team performance and top-notch service to the citizens of our community.
